7 There is the other question of an allowance to the Collector in the District who is attending the village sanitary work in addition to the Local Board work. When the land is not the paid employee in L.B. work, how is it practicable to sanction any allowance for V. P. work is for consideration. If the D.C. can meet this also without additional sanctioned scale in the district he may be considered.

Sir,

With reference to your memo No.C. 797/28-29 dated 23-2-1929 communicating the orders of Government declining to accord sanction to the grant of salaries to the Village Panchayet Inspectors of this District up to a maximum of Rs 60/- at my discretion, I have the honour to invite reference to the concluding portion of my letter No.C.1029-26 dated 11-12-1928 and to state that my recommendation to grant an allowance of Rs 10/- per mensem to the clerk of my office from 1st July 1928 for attending to the Village Panchayet work in addition to the heavy work involved in the Local Self Government Branch and the Malnad Improvement scheme has not been considered and orders passed by Government in that behalf. I beg to mention here once again that the work of the clerk is heavy and there is also no separate establishment sanctioned for either the Local Self Government, Malnad Improvement or the village Panchayet branch of work, and as such the grant of the allowance is necessary. I request you to kindly move the Government and obtain their sanction to the same at an early date.

As regards the grant of increased rate of salary to the Village Panchayet Inspectors, you are aware that the subject of the continuance of the Village Panchayet Inspectors' posts was discussed at the Meeting of Officers held on the 2nd instant and it is not unlikely that the consensus of opinion in favour of their continu-

continuance may weigh with the Government to continue them. Irrespective of this fact, I venture to submit that it is but fair that the incumbents should be shown the same concession as is shown to the officials of the same class in other Districts, at least so long as they continue. As already represented in my previous letters, the Village Panchayet Inspector in the Bangalore, Mysore and other Districts have been given higher rates of salary than those in this District from the very beginning.

In these circumstances, I request you to move the Government once again to reconsider my recommendation to allow the Village Panchayet Inspectors of this District to draw higher rates of salary up to a maximum of Rs 60/- and obtain their sanction to the same at an early date.
